The joy of bathing

about the brand

For over 50 years, SOMANY's contribution to the tiling market has been characterized by style, performance and innovation. This deep understanding of the market and experience have been used to create our sanitaryware range.

We began our journey in 2011 in the bathware category. Till date we have over 1,150 direct dealers and distributors across India.

Sanitaryware range from SOMANY offers comprehensive and classy washroom solutions. Each product in the range is crafted to cater to those who appreciate style and fine design. Designed to soothe and stimulate the urbane and sophisticated, the styles range from contemporary to neoclassical; some products are even crafted by leading designers from Italy.

Our bathware products are manufactured in Morbi and CP fittings in Chandigarh. Our plant at Morbi, Gujarat, is one of the biggest, spread over 48,000 sq. mtr. We are the largest producers of one-piece toilets in single premises in the ceramic hub, with the plant churning out 1.3 million pieces annually. On the other hand, our CP fittings factory, spread across 2,200 sq. mtr. in Derabassi, Chandigarh, has a yearly production output of 6.6 lakh units.

Our initial goal was to provide quality tiles to consumers, but, over the years, we have transformed and modified our business. So now, we are a complete home solutions provider for tiles, bathware or sanitaryware.

Our exquisite range of products is available across our network of state-of-the-art showrooms at SOMA NY Grande, SOMANY Exclusives, SOMANY Bath Studios and also at your nearest dealer counters.

Why us?

- Strong support to make in India, use finest quality of raw materials of Indian origin
- Maximum products produced at our manufacturing unit as per ISO & ISI standards
- Firing with microprocessor-controlled highly energy-efficient Germen kiln (Keramischer). Longer firing cycle, >1200°C peak temperature with longer soaking period for complete formation of vitreous phase and minimum water absorption thus absolutely zero chances of delay dunt beyond the 10-years warranty period.
- Adjustable water-saving flushing mechanism (3/6Lpf)
- 100% inspection of visual, dimensional & functional (100 balls, single ball, smudge, bowl washing, splashing, leakage, trap seal, tissue paper)
- Easy to clean, household chemical & soft acid resistant, scratch and stain resistant glaze with whiteness > 93 and high gloss (best in the industry)
- Trap seal depth ≥ 50 mm with greater water seal area resulting odourless bathroom
- 0 Zero complaints of delay dunt/crazing
- Soft close, antibacterial & ultraviolet resistant PP/UF seat cover
- Consistent size and premium aesthetic
- User-friendly installation
- Online installation facility available at 24x365
